

Welcome to Georgia Civil, Inc. and thank you for visiting our website.

At *Georgia Civil, Inc.*, we take pride in a steadfast commitment to excellence in civil engineering and landscape architecture as we strive to provide unparalleled customer service and satisfaction. Since our establishment, our company has enjoyed tremendous success and growth, and we continue to move ahead with a confident vision for the future.

Composed entirely of registered civil engineers and landscape architects, Georgia Civil can guarantee that from start to finish, each project remains in the hands of an experienced professional with the knowledge and expertise to get the job done. Also, we understand that a client's daily needs must be met in a timely and efficient manner, so our project managers make every effort to be readily accessible and proactive.

We believe in building a close working relationship with our clients, and want all parties involved to have meaningful involvement with the entire site development process, from conceptual planning to construction administration. We truly value our clients as the foundation of our success, and we are committed to making their ideas a satisfying reality.

We look forward to meeting with you, and we are confident that we can deliver the results you deserve. Thanks again for visiting with us.

Sincerely,

Jason P. Brown, P.E.
